Hon. Judge Lucy Koh:

My name is Hari Naidu and I am an enumerator with the U.S. Census bureau Sunnyvale, CA office. I have been working with the bureau since July 2020 and have successfully completed numerous cases. Today, I was requested by my census field supervisor to turn in my equipment because the NARFU (non response follow up) operations have been ended. I was also given the option to hand in my resignation if I choose to do so.

My understanding is that you have ordered the bureau to continue operations till the end of October 2020. In light of this what would your advise be? Should I turn in my equipment? I do not want to be part of any effort to contravene the order that you have issued.

Look forward to your response.

Warmest Regards,
Hari Naidu
